

GRACE'S FUNDRAISER FOR SANDWICH BAY BIRD OBSERVATORY TRUST

I'M SWIMMING FOR BIRDS!

I'm raising money for SBBOT by taking on a 5km open water swim! SBBOT is a fantastic organisation dedicated to bird and wildlife conservation in Kent. On a personal level, SBBOT has become a place where I feel happiest. I've spent many early mornings training as a bird ringer with the team, and I've been inspired by the incredible knowledge, dedication, and passion of the volunteers and staff, and want to give back!

PLEASE DONATE AND SPONSOR ME!
