

**NORTHERN TANZANIA**  
***“THE GREATEST WILDLIFE SPECTACLE ON EARTH”***

**Birds & Wildlife of the Serengeti, Ngorongoro Crater and Beyond**

**Early November 2023**  
***Led by Peter Roberts & Ken Chapman***

**A twelve-day safari to see the big game, birds and other wildlife of such iconic locations as Arusha National Park; Tarangire; Lake Manyara; the Ngorongoro Crater and the Serengeti.**

**TOUR COST:** The tour cost is likely to be **£5,500 to £6,000 per person** dependent on exchange rates at times of payment to the agent, plus a single person supplement.

The cost includes all meals from lunch on Day 2 to supper on Day 12; 12 nights good quality accommodations in luxury lodges as stated in the full itinerary; internal flights; ground transportation during the tour; guiding services of the local driver/guides, most gratuities; all National Park entrance fees; bottled water during the day on safari. It does not include international flights.

I have four people already interested in this tour, and need two more.

If you are interested and would like further details, please contact me as soon as possible on:
